Group Life and Accidental Death and Dismemberment

The Med Plus Advantage Program sponsored by the American Medical Association offers more than just Long Term Disability coverage. Our enhanced Group Life and AD&D plan provides improved coverage in the event of tragedy.

NEW AMA-sponsored Group Term Life Benefits

- Expanded Accidental Death and Dismemberment Provision — Added protection in the event of sudden loss resulting from a wider variety of accidents
- Family Care Benefits Package* — In the event of accidental death, a higher education career adjustment and child care benefit
- Life Services Toolkit — A suite of services that includes online resources and support services (on the phone and in person)

*Subject to state approval

Other Plan Highlights

- \$50,000 Term Life insurance benefit
- Accidental Death and Dismemberment benefit amount matches the Term Life benefit for all qualifying Medical Students or Residents
- Repatriation benefit up to \$5,000

Program Highlights:

Industry Leader - Today, roughly one in three medical students is covered by the MPA program

National Strength - MPA taps into the collective strength of 1,000,000 U.S. physicians to deliver competitive rates and unique coverage specifically for medical/allied health students and residents

Strong Partners - Including Standard Life Insurance Company, Portland, Oregon

Whether your path in medicine is set or you're still weighing your options, AMA is your ally, ready to help so you can make informed, confident decisions.
